A wooden cross is shown breaking through a dark, textured surface. The cross is made of two weathered wooden beams. The background is a dark, mottled grey with a grainy texture. A bright, glowing light source is behind the cross, causing a large amount of dust and debris to fly outwards. Several pieces of wood are scattered around the base and sides of the cross. The overall scene conveys a sense of power and breakthrough.

Breakthrough

- 
- A white cross is centered on a dark, textured background. The background appears to be a dark surface with scattered wood shavings or debris, suggesting a construction or demolition site. The cross is simple and stands out prominently against the dark background.
