SOMETHING

The image features the word "SOMETHING" in a dark grey, sans-serif font. The letters "DO" are replaced by a large, bold, olive-green graphic. The "D" is a solid block with a white rectangular cutout in the center, through which the letter "M" of "SOMETHING" is visible. The "O" is a solid olive-green circle, through which the letter "H" of "SOMETHING" is visible. This design creates a visual pun on the phrase "do something".

## My time in Japan

I struggled to find what verse could sum up my time in such an extoic place.

The land was beautiful and peaceful but under that layer of projected perfection was a depression that could been seen.

I was also able to look back at the US and see a broken country and more importantly a broken church.

But acknowledging a problem allows allows to try and start to fix it.

## Matthew 7:1-6

“Judge not, that you be not judged. **2** For with the judgment you pronounce you will be judged, and with the measure you use it will be measured to you. **3** Why do you see the speck that is in your brother's eye, but do not notice the log that is in your own eye? **4** Or how can you say to your brother, ‘Let me take the speck out of your eye,’ when there is the log in your own eye? **5** You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye.

**6** “Do not give dogs what is holy, and do not throw your pearls before pigs, lest they trample them underfoot and turn to attack you.
